Dear Gary and Donn-

In the spirit of providing feedback to make tomorrow's EPA public meeting as successful as possible, I am attaching a list of issues/questions that GBF would like to see addressed. I am hopeful that you will be able to address most or all of these items/questions in your presentation and/or the Q&A session.

Please let me know if you have any questions. Feel free to call me on my cell at 713-376-9686 if you cannot reach me at my work number below.

Looking forward to seeing you tomorrow. Safe travels.

Sincerely-  
Scott
